

National NAVISSANCE 2013

Conference

News & Events

Department of Mechanical Engineering organized a two day National level Conference on Emerging Trends in Energy Conservation? 'NAVISSANCE 2013' during 15-16, February 2013. The main objective of the conference was to create a common platform to share ideas, practices, and innovations in energy conservation. The programme was inaugurated by Mr. V G Sankaranarayanan (Former Chairman and Managing Director, FACT). Various papers related to this area were presented by invited guests and staff members. Poster making competition and quiz competition were carried out in relation with the conference. Students of various departments and staff members were participated actively in this programme.
