

Banana bunch harvesting

On 4th August we harvested nendra vazha kula from the vazhathottam maintained by the volunteers. The programme was inaugurated by Hon. MLA Madhavan P A. He spoke about the importance of organic farming in modern society. Vidya trust Executive director G Mohanachadran, Trust coordinator T B Ramachandran, NSS Programme officers of units 101 and 200, Eco club secretary Sudhan Karayil, Subramanain N K, NSS volunteers and Eco club members participated in the programme. Students cultivated 160 banana bunches in the campus which were purely organic.
