

Faculty Enablement Program – Infosys Campus Connect FP 5.0

Infosys Campus Connect faculty development program (FDP) for the fundamental information technology training program viz. Foundation Program (FP) 5.0 was conducted at NMAM Institute of Technology, Nitte between 19 and 23 December 2016. Foundation Program is now upgraded from version 4.0 to 5.0. Under this version the course has become more student centric with self-paced online study modules with the faculty members playing the role of mentors. Python now becomes the programming language. This five day training program for faculty members was attended by (i) Mr. Nakulraj KR, Assist. Prof. CSE Dept., and (ii) Mr. Suraj Rajappen, Assist. Prof. ECE Dept.
