

Environment Conservation through Tree Planting – Fr. Davis Chiramel

On the occasion of the 57th birthday falling on December 30, 2016, Fr. Davis Chiramel, founder of Accident Care & Transport Service, and Kidney Federation of India donated 57 fruit bearing tree saplings. These saplings were planted at various locations of the campus on January 04, 2017. During a brief and simple function held on the day, Fr. Davis Chiramel spoke about the importance of conserving our nature and extolled the gathering of students, faculty and staff members to plant at least one tree every year. Er. Mohanachandran G, Executive Director, and Dr. Krishnachandran VN, Vice-Principal & Head of Computer Application Department also spoke during the occasion.
