

Launching of Vidya Mobile, an Android app for VAST, Thrissur

As part of the decennial celebrations of the Department of Computer Applications, an Android app developed principally by Dr V N Krishnachandran, Head of Department, was launched in an august function held in the Main Seminar Hall of the College at 12.00 noon on 20 January 2017. Er. G. Mohanachandran, Executive Director, VICT, formally launched the app in the presence of Dr. Sudha Balagopalan, Principal, Mr. Suresh Lal, Finance Director, Dr. Latha Raj, Director, Student Welfare and Social Projects, a few Heads of Departments and faculty and staff of the College. The participants of the Two-day Workshop Chip-to-Net 2.0 and all MCA students attended the function. After the formal launch, Dr V N Krishnachandran explained the main features of the app. This was followed by felicitations by all directors present. The faculty and students of Computer Applications Department showed their

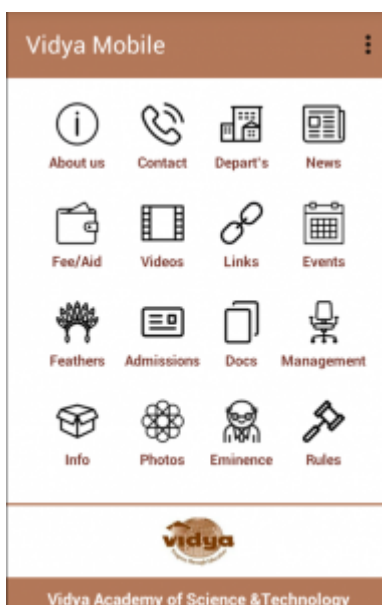

appreciation by draping the principal developer of the app Dr V N Krishnachandran with a *ponnada*.
