TCS – Interactive Session

An interactive session for the students of 2018 and 2019 pass out batch with HR officials from TCS Ltd. was held on Thursday, March 30, 2017 . Mr. Joseph Thomas and Mr. Ramsen Paul from TCS interacted with some these students in small groups at the CE CAD Lab and VLSI Lab. They explained to the students about the opportunities available for them and on how to leverage the various contests and schemes on the TCS Campus Commune portal. Several students took the opportunity to register in the online engineering contests – ENGiNX, TESTIMONY, & CODEVITA.
