

# Krysalis Consulting Campus Recruitment 2017

The campus recruitment drive by M/s. Krysalis Consulting for the 2017 pass out batch of students was held at the College Campus on Thursday, May 04, 2017. This drive was open to eligible students from the Mechanical Engineering and Production Engineering branches. Dr. Venugopal C, MD and CEO of the organization, gave a pre-placement talk about the nature of consulting business and expectations from the candidates. The selected candidates would have to first undergo a six months internship and, on successful completion of the internship, would be posted at their Chennai office and would be hired on the roles of the company. Four students were shortlisted for the final interview rounds held on the same day itself. Final results are awaited.
