
“From Brahmagupata to Bhargava via Gauss”: A talk by Dr V N Krishnachandran

Dr. V N Krishnachandran, Head of Department of Computer Applications, delivered a talk titled “From Brahmagupata to Bhargava via Gauss: A Journey through Three Epochs” in the National Seminar on Discrete Mathematics and Applications held in the College during 19-21 July 2017. The Seminar had been organised by the Centre for Studies in Discrete Mathematics functioning in the College as part of the Department of Applied Sciences. The talk unveiled a mathematical thread connecting three mathematical giants from three different epochs in the history of mathematics.
