

ME and PE Depts organise Workshop on Autodesk Fusion 360

The Departments of Mechanical Engineering and Production Engineering jointly organised a workshop on Autodesk Fusion 360, during 21-22 August 2017. The resource persons for the workshop were experts from BIMIT, CAD and BIM Training Services, an Autodesk Authorized Training Center and Academic Partner of Autodesk, based in Ernakulam. The experts were Mr. Viju Antony, ACE (Autodesk Certified Evaluator and Master Trainer), Mr. Rony Varghese and Mr. Arjun Francis. The workshop was held as hands-on sessions. They presented various modeling tools and the Static Stress Simulation tool of Autodesk Fusion 360. All students were able to complete the hands on activity sheet provided by the trainers. They also encouraged the students to participate in the Autodesk Design for Industry Competition.
