

T&P Cell organises awareness session on GATE 2018

The Training & Placement Cell of the College organised an awareness session on the importance of GATE in general, and the placement opportunities that are likely to be opened up for those who qualify in GATE. The focus of the discussion was the GATE 2018. The key resource person for the programme was Mr. Mathew Kurian, an Asst. Prof. at Karunya University and an expert GATE trainer associated with the training institute Manifold, Thrissur. He talked at length about the current scenario of recruitments at public sector undertakings happening through GATE. The session, open to only genuinely interested students, was attended by as many as 89 final year B. Tech. students.
