

ECE alumnus talks about BTech life and industry experiences

Mr. Sandeep N. L., an alumnus of the B. Tech. (ECE) 2005 – '09 batch, gave a talk on his experiences as a B. Tech. student of the College and his later experiences in industry. Mr. Sandeep is now Managing Director, Vidyuth Energy Solutions, Thrissur. The talk, held at the Main Seminar Hall of the College on 22.09.2017, was addressed to S7 B. Tech. (ECE – A&B) students. The programme was held as part of the activities of the Association of Vidya Alumni (AVA). The students who participated in the programme talked about it as an hour of inspiration and pointed that the programmes helped them to know more about various career opportunities available for B. Tech. students.
