

Hands-on workshop on WordPress for faculty and staff of CSE Dept

A hands-on workshop on WordPress was conducted on 19.10.2017 at PG Lab (CSE) for the faculty and staff of the CSE Department. A separate hosting account was provided to every participant for creating and practicing web hosting techniques and this was the main highlight of the workshop. The resource person was Mr. Shali K R, Server Administrator of the College.

WordPress is a free and open-source content management system based on PHP and MySQL.
