

NSS volunteers distribute food packets at Guruvayur

As part of community work, NSS volunteers of the College distributed food packets to the homeless people living around the *manjulaal* in the temple town of Guruvayur on 10.11.2017. About 12 NSS volunteers, along with Mr. Prasanth P (Assistant Professor, PE), distributed the food packets. The packets, containing home made food prepared by students, faculty, and staff of the College at their homes, were brought to the College and then transported to Guruvayur for distribution.
