

# Engineering Getit, a mobile app developed by EEE faculty, crosses 10000 downloads

*Engineering Getit*, an Android App developed by Mr. Arun Xavier (Assistant Professor, EEE Dept), crossed 10,000 downloads. The app is very useful to engineering students (both B Tech and M Tech) of all branches studying under APJAKTU and Calicut University. The main features of the app are the following:

- Previous Years' Question Papers
- Engineering Notes
- Syllabus
- Push Notifications
- SGPA/CGPA
- Academic Calendar
- KTU Login
- details of Scholarships
- New Tech Videos

- Do It Yourself Projects

The app can be downloaded freely from Google Play Store. For more details, [click here](#).
