

ME Dept organises seminar on Non Destructive Testing

The ME Dept. of the College organised a half-day seminar on non-destructive testing for the S5 B Tech (ME) students of the College. The resource person for the seminar was an expert from Institute of Inspection Technology & NDT (IITNDT). IITNDT is Indian based ISO 9001 Certified Organization, providing services in the field of NDT like NDT training and certification, welding inspection, etc.

The activities of the seminar began with a silent prayer. Mr. K. Hareesh (Asst. Prof, ME Dept.) welcomed the students and dignitaries to the function. Dr. N. Ramachandran (Head of ME Dept.) delivered a special address to students. He pointed out the gap between the syllabi and the needs of industries. Ms. Madri from IITNDT participated as a special guest. In her talk, she emphasised the importance of non-destructive testing and quality control and also gave a brief outline of the certification programmes being conducted by her organisation.

The programme was held in the Bosch Lab, and was attended by as many as 30 students. Mr N P Rajesh (Asso.Prof., ME Dept.) delivered the vote of thanks.
