

One-day workshop on Interactive Programming with Python

The Department of Computer Science & Engineering of the College organized a one-day workshop on “Interactive Programming with Python” on 16.12.2017 in association with Institution of Engineers (India) (IE(I)) Chapter of the College. The workshop was organized to provide hands on experience in Python programming to the final year students of various Polytechnic Colleges. More than 50 students participated in the workshop.

The workshop focused on introducing the basic concepts of Python programming, database connectivity using Python, industry level python IDE PyDev, Eclipse IDE and the programming logic tool Scratch.

The inaugural ceremony was held at the Advanced Computer Lab of the College. Dr Ramani Bai V (Prof & HoD, CSE Dept.)

welcomed the dignitaries and delegates. Er. G Mohanachandran, Executive Director, VICT, inaugurated the workshop and delivered the inaugural address. Dr. Sudha Balagopalan, Principal, delivered the presidential address. Dr. V N krishnachandran (Vice-Principal), Mr. Paul Chakola (Placement Director) and Mr P Velayudhan (Workshop Superintendent) felicitated the participants. Mr Jayakumar T V gave an overview of the workshop. Mr. Vimon P V (LET Student, S3 CSE) shared his experiences at Vidya. Mr. Arunlal T M (TI, CSE Dept. and Co-ordinator of Workshop) delivered the vote of thanks.
