

Workshop on Programming

Dr S Satheesh (HoD, AS) participate in workshops on R

Dr S. Satheesh (Professor and Head, Department of Applied Sciences) attended a four-day workshop organised by the Department of Statistics, Cochin University of Science and Technology, during 15-18.12.2017. The theme of the workshop was " Times-to-Events and Time Series Data Analysis Using R". The workshop was held in collaboration with International Society for Business and Industrial Statistics (ISBIS) and was supported by UGC, DST and International Indian Statistical Association (IISA).
