

“News & Events” wishes happy new year to all with a vision and a mission

The team behind “News & Events” wishes a peaceful, happy and prosperous year 2018 for all in the Vidya family. Let this be a memorable year for the College. Let this be an year of achievements for the College. Let this be an year in which the students excel in their studies, the faculty scale greater heights of erudition, the staff open new frontiers in serving the institution, the College sets the standards for technical education in Kerala.

As the new year dawns, the News & Events team resolves to carry forward its work with the following vision and mission.

Vision

To be a world class News & Events portal
setting the standards for similar portals in other
institutions of higher education

Mission

- To capture and report accurately all happenings, big and small and worth knowing about, in the life journey of Vidya Academy of Science & Technology.
 - To disseminate information about the happenings in Vidya Academy of Science & Technology to the widest possible cross section of its stake holders and to the public at large.
 - To be a repository of all information regarding the happenings in the life journey of Vidya Academy of Science & Technology.
-
