The Training & Placement Department of the College organised an awareness session on MBA program in general and, in particular, on how to approach the CAT, MAT and CMAT, for the B Tech (2019 pass out batches) students on 18.01.2018 at the College Auditorium. Mr. Diyu Jose, Center Director, TIME, Thrissur, spoke to the students. The top institutes in the country offering MBA programme were listed out by the speaker for the benefit of the students. A mock test also was conducted on the day which was attended by as many as 480 students.
