

Expert talks about “Piezoelectric Materials and its Applications” in ECE Dept

The ECE Department of the College organized a talk on “Piezoelectric Materials and Its Applications” by Dr V Kumar (Scientist, CMET) on 31.01.2018. Dr.S.Swapna Kumar (HoD, ECE Dept) welcomed the guest and participants. Mr Balan K, Adjunct Faculty of ECE Department, formally introduced the resource person. Dr Kumar talked at length about the research opportunities available in the field of piezoelectric materials. He emphasized the importance of research in the field of education and motivated the students to take up careers in research.
