

Final year B Tech students told how to Align the Wheel of Life

A session on “Aligning the Wheel of Life” was held from 30.01.2018 to 01.02.2018. The programme was organized jointly by Sargaa, Vidya Women’s Club, Sameeksha, Vidya Trainers’ Club and Vidya Student Support Cell (VSSC). Final year B Tech students of all branches attended the session in separate batches. The session was conducted by Dr Latha Raj, Director, Students Welfare and Social Projects. She made them understand the various challenges that they would have to face as they move from the campus to the outside world. Students discussed their future aspirations and dreams and their plans to achieve them.
