

EEE faculty develops Android app to tackle KEAM

Mr Arun Xavier (AP, EEE Dept) has developed an Android app named "KEAM HELP" to help Plus-Two who are seeking admissions to Engineering colleges in Kerala through the Kerala Engineering Entrance Examination. (KEAM is an abbreviation for "Entrance Examination for Admission to Kerala Engineering, Architectures and Medical Colleges.")

The following are some of the highlights of the App:

- Instant access to KEAM Notification
- Data regarding important dates and other information
- Facilities for taking mock tests
- Availability of question papers of the examinations of previous years
- Detailed instructions on how to apply
- A collection of frequently asked questions with answers
- An ad-free learning experience

The App is available for installation from Google Play Store at the link <https://goo.gl/xAH54e>
