

NSS volunteers discuss Thaneerthadam Conservation in Choondal Panchayath

The NSS units of the College organised a session on the “Thaneerthadam Conservation Programme of Choondal Grama-panchayath” at the College Auditorium on 08.02.2018. The programme was inaugurated by Mr. Kareem, Choondal Grama-panchayath President. Er Satheesan, Vazhani Dam Soil Conservation Department, was the Chief guest. Er. Jacob (Vazhani, AE (Irrigation)), Mr Valsan Paranoor, Mr Ramesh (Overseer), and Mr Unnikrishnan (Choondal Grama-panchayath, VEO) attended the programme.

As a part of *Haritha Keralam* programme, Choondal Grama-panchayath decided to conduct a programme for the conservation of watershed. The major activity planned was data collection about the water bodies in the Panchayath area, their current condition, and how they can be improved in terms of usability and conservation.
