

A research paper by CE faculty published in “Stress Management Professional: An International Journal”

A paper titled “Emotional Intelligence and Organizational Role Stress: Testing the Mediatory Role of Organizational Commitment and Attitude to Change” and authored by Dr. Deepa Mohan (Asso. Prof, CE Dept) has been published in Stress Management Professional: An International Journal (SMPIJ) (Volume 6 | Number 1 | January – June 2018). SMPIJ is an official journal of International Stress Management Association (ISMA), India, and International Council of Stress Management Professionals (ICSMP), Australia. It is also a UGC approved journal.

Dr Deepa had earlier presented the paper in the 4th International Conference of Stress Management held in Goa during 3-4.11.2017 and the paper had secured the best paper

award.

The abstract of the paper can be read [HERE](#).
