

## **NSS volunteers help Pulse Polio implementation at Kechery**

The NSS volunteers of the College volunteered to provide help and assistance to the officials of Primary Health Centre, Velur, in the implementation of the Pulse Polio programme at Kechery on 12.03.2018 and 13.03.2018. The programme was inaugurated by Mr. Salim, Health Inspector of the Centre.

Pulse Polio is an immunisation campaign established by the government of India to eliminate poliomyelitis (polio) in India by vaccinating all children under the age of five years against the polio virus. The project fights poliomyelitis through a large-scale pulse vaccination programme and monitoring for polio cases.
