

CE Dept organises the 5th edition of the National Conference on REACT

The CE Dept of the College conducted the 5th National Conference on Recent Emerging Advances in Civil Engg. and Technology (REACT) 2018 on 11.04.2018. Dr. Shashidharan, Principal, Ammini Engineering college, Palakkad, inaugurated the Conference. Forty PG students from inside and outside the campus presented their papers on various themes. The programme was conducted in three venues and for each venue, the best paper was awarded with a cash prize.
