

College brochures are now available in Google Play Store

To supplement the efforts of the College authorities to spread the message of Vidya to larger sections of the prospective students and their parents, the College Brochure 2018 has been made available in the Google Play Store under the category of Books. The brochure can be downloaded to the computer or to the mobile phones from the following links. The brochures issued in the years 2017 and 2016 are also available in the Google Play Store.
