

## News 18 Kerala interviews team behind Vidya's startup Hasti-Griha

Hasthi-Griha is a startup company established by a few students of the College. The same students, who have now completed their studies in the College, are now managing the company. The company has developed several eco-friendly furniture and also some furniture which can be easily assembled and disassembled.

Hasthi-Griha had earned a lot of recognition from Kerala Govt and other authorities. The company had also attracted a lot media attention both in print and electronic media. Recently, the Malayalam TV Channel News 18 Kerala interviewed Ms Athira, CEO of Hasthi-Griha, and her team in the College on 21.03.2018 and the same was broadcast as part of a news programme.
