

# Vidya faculty members complete NPTEL courses with ELITE – GOLD certificates

As many as seven faculty members of different Departments of the College have successfully completed, four of them with the ELITE Certificate and one with an ELITE-GOLD Certificate, various courses offered as part of the NPTEL (National Programme on Technology Enhanced Learning) initiative during the period January – April 2018. In fact, one faculty member completed successfully two such courses during the same period!

NPTEL (National Programme on Technology Enhanced Learning) is a joint initiative of the IITs and IISc funded by the Ministry of Human Resource Development, Govt of India. . This initiative offers courses and certification in various topics. The courses are free for all with a nominal fee for the certification examination. The results of the examinations of the courses conducted during Jan – April 2018 have been published. As many as seven faculty members of the various Departments of the College have successfully completed various NPTEL courses. The *News & Events* Team congratulates the

faculty members and urges all faculty members and students to massively take the courses offered by NPTEL.
