

# MCA students emulate teachers, successfully complete NPTEL courses

The online courses offered by NPTEL have become very popular among the faculty and staff of the College as a means of acquiring knowledge as some of the news items that have appeared recently in these columns of *News & Events* amply demonstrate. Perhaps taking a cue from their teachers, a group of three S4 MCA students Haripriya V H, Aiswarya M A and Manju M Krishnadas, have also successfully completed NPTEL online courses. They completed a course in Cloud Computing offered during the period January – April 2018. Among them, Aiswarya M A has secured the Elite Certificate.
