

Indian Navy kickstarts officers' selection process under University Entry Scheme

The initial screening for recruitment of officers under the Indian Navy University Entry Scheme (UES 2019) was held in the College on 30 August 2018. Around 114 final year students from various engineering colleges in Thrissur District participated in the screening test. The activities related to the screening test were coordinated by an Indian Navy team consisting of Commander Sunil Kumar (leader of the team), Commander Karthik, Lieutenant Commander Marianne Mathews and Lieutenant Commander Debashish Jena. The candidates who clear the test will be selected to the next round of test to be conducted by the Service Selection Board.
