

FOSsers Club organises one-day workshop on “Let’s Learn Linux-V2”

FOSsers Club of the College, in association with IEDC, conducted a one-day fully hands on session titled “Lets Learn Linux – V2 ” on 2 October 2018 at ME CAD Lab. As many as 35 students of S1 and S3 B Tech batches participated in the event. The activities relating to installation and basic command line operations were handled by Mr Shali K R (Server Administrator). Mr Subin (S3 B Tech CSE) gave an introductions to FOSS and free software alternatives.

During the event, a new logo of FOSsers Club, designed by Akshay T G (S3 B Tech ME) was released.
