

NSS volunteers audit passenger amenities in Thrissur Railway Station

The NSS unit of Vidya, in association with Indian Railways, organized an audit of the passenger amenities at Thrissur Railway Station on 7 October 2018. Eight NSS volunteers participated in the programme. The focus of the audit was to identify the defects in the amenities provided by the Railway Station and to modify them. The audit helped the authorities to understand the changes in the amenities that people needed and the necessity of implementing the changes in the Railway Station
