

# Four S1 B Tech (CSE) students complete online course offered by MIT

Four students of the S1 B Tech (CSE A) batch – Aakash K Dileep, Abhijith Sheheer, Abhiram C Devanand and Vinay Sankar – have secured certificates of successful course completion from MIT on completing the online course “6.00.1x Introduction to Computer Science and Programming using Python” offered through the edX platform. They completed the course utilising the discount coupons offered to the faculty and students of Vidya on account of Vidya becoming a partner of the leadingindia.ai initiative.
