CRD 2019

Experion Technologies offers placements to two students

Congratulations!

The Kochi based IT company Experion Technologies Limited conducted a pooled recruitment drive in the College on 01 November 2018 for the 2019 pass out students of the B Tech (CSE, ECE, EEE) and MCA batches. As many as 40 students from Vidya participated in the drive. Among them, 14 students were shortlisted after the test. From the short-listed students, the following two students were provided with the placement offers:

1. Sarah Varghese – B Tech CSE
2. Siddharth Sajith – B Tech ECE
