

Farewell to the last batch of Calicut University students of Vidya!

The junior students did it well. They meticulously planned every aspect of the programme to ensure that the honoured guests of the occasion would remember it for many years to come. The occasion was formally bidding farewell to the outgoing MCA students of the College by the students, faculty and staff of the MCA Dept. The outgoing students, who had been admitted to the MCA programme in 2015, were the honoured guests of the occasion.

Everybody had a story to tell, a moment to recollect, a thought to share, a song to sing, a game to play, a dance to perform and it went on and on. Everybody enjoyed the few moments of togetherness.

Incidentally, the outgoing batch is the last batch of

University of Calicut students in Vidya!
