

Upasana logo and theme song launched

It was an occasion of historical importance in the big world of Vidya: Upasana, the Student Trainers Club of Vidya, launching the logo and theme song on 23 November 2018 in the Pranavam Auditorium. It is perhaps for the first time in the history of Vidya that a club launches its logo designed by students and a theme song written and sung by students. The theme song had got a sweet music composition by the famous music director Mr Jithesh Narayan.

The event started with a graceful “rangapooja” by the Upasana girls. Dr Latha Raj, Director, Students Welfare and Social

Projects, and the advisor of Upasana, launched the logo digitally and the Upasana members presented a hand painted form of the logo.

In her talk, Dr Latha Raj remarked how important the working of right side of the brain is for an engineering student for bringing to light the creativity in his/her life as an engineer. She congratulated those who designed the logo and those who created the theme song and mentioned how the activities done by Upasana like paint-o-music, workshop on media production, etc. help activate the right side of the brain. This was followed by a mono-act and the theme song presentation. The orchestration and the presentation of the song was done by members of Upasana. Mr Alex Chacko C (AP, ME Dept) congratulated and acknowledged the students' hard work for the timely completion of the tasks. The event came to an end by his vote of thanks.

അണി ചേർന്നു മുൻ പാതയണയുവാൻ
സുലഭമായ് വേദിയൊരുക്കി നാം
സ്വപ്നങ്ങൾ കയ്യേന്തി നിറമേകിടാൻ...
തളരാതെ പതറാതെ മുന്നേറീടാം...
കൺ കോണിലെരിയുന്ന സൃഷ്ടിയെ വിരിയിക്കാം
വിരിയുന്ന പുവിതൾ വാടാതെ കാത്തിടാം...
ഏദയത്തിലുയരമാ നാദം
ഒരുമ തൻ സ്വരമായുയർത്തിടാം...
നവ ലോകമെഴുതേണ്ട നാളേക്കായ്
കഴിവുറ്റ യുവതയെ നെയ്യിടാം...
ഏദയത്തിലനഘമാം സ്വപ്നങ്ങൾ നിറം ചാർത്താം...
നിറമെഴും ആശയം ചിറകേറ്റി ഉയർന്നിടാം...
