(Funded by the Ministry of HRD, Govt. of India)

Aiswarya B

Henna Rose Babu

Nikhil M A

Prashob Sasidharan

Vishnu Chandran

S5 MCA (2016 admissions)

Five MCA students secure NPTEL certification

NPTEL online courses have become very popular among faculty and staff of the College as a means of acquiring new knowledge and of remaining up-to-date in emerging technologies. The courses are also becoming very popular among the students as well. Recently, five students of S5 MCA batch have secured NPTEL certifications in various courses. The following are details of the students who have secured the certifications.

The Editorial Team of *News & Events* urges all faculty members to encourage students to secure more and more such certifications.

Sl. No.	Name	Course	Score
1	Aiswarya B	The Joy of computing using Python	83%

2	Henna Rose Babu	Introduction to Internet of things	72%
3	Nikhil M A	Introduction to Internet of things	75%
4	Prashob Sasidharan	Introduction to Internet of things	46%
5	Vishnu Chandran	Introduction to Internet of things	70%
