

# **Institution's Innovation Council organises workshop on "Cognitive Skill, Design Thinking and Critical Thinking"**

The Institution's Innovation Council (IIC) of Vidya conducted a half-day workshop on "Cognitive Skill, Design Thinking and Critical Thinking" on 24 November 2018. The workshop was

meant to make students think differently using parietal and temporal lobes of their brain. The techniques used were based on brain teasing, quizzing and memory recall. As many as 30 students belonging to CSE, CE, ME and EEE Depts participated in the workshop. The session was conducted by Ms Swapana E V M, IIC Convenor.
