CSE students develop website for IETE Student Forum of Vidya

A team of two CSE students Gokul Venugopal and Abhishek Satish (S3B Tech CSE A) completed the development of a website for the Institution of Electronics and Telecommunication Engineers (IETE) Students Forum of Vidya and hosted the same in the vidyaacademy domain on 4 December 2018. The website was developed under the guidance of Mr Shali K R (Server Administrator) who had also offered a value-added course on WordPress to these students.

The website can be accessed at the following link : <http://ieteisf.vidyaacademy.ac.in/>
