CSE faculty completes online course offered by Udemy

Ms Beena M V (AP, CSE Dept) successfully completed on 3 January 2019, 41 hours of an online course titled “Machine learning A-ZTM: Hands on Python and R in Data Science” offered by Udemy, a platform for online learning.

Udemy.com is an online learning platform. It is aimed at professional adults. Unlike academic massive open online course (MOOC) programs which are driven by traditional collegiate coursework, Udemy uses content from online content creators to sell for profit. Udemy provides tools which enable users to create a course, promote it and earn money from student tuition charges. (*Wikipedia*)
