

# SAP team from Vidya delivers motivational talk at Velur School

Here is another activity as part of the Science Awareness Programme (SAP) initiative of Vidya. It was a motivational talk for the students of Govt Raja Sir Rama Varma Higher Secondary School (Govt RSRVHSS), Velur. Mr Alex Chacko C, Mr Hareesh K and Mr Anil Paul, all Assistant Professors in ME Dept, went to the school on 12 February 2019 and presented a motivational talk for the benefit of students in the 10th standard. A total of 165 students participated. The topics discussed included "Dreams, Passion & Success". The students were also motivated to achieve good results in SSLC examinations. As per a suggestion from Ms Bindu, a mathematics teacher of the School, there were presentations on some short cut methods in mathematics to generate curiosity and interest towards mathematics.
