EXPRESS NEWS SERVICE @Thrissur

THE teachers and students of Vidya Academy of Science and Technology here spent their time on Sunday in Nenmanik-

kara panchayat to train women and children in making LED bulbs as a part of skill development programme.

At the training class held at MKMCUP School, the teachers

and students trained them in making LED bulbs and tubes. There is an increased demand for LED lights after the state government started promoting them. They are considered more efficient and last longer than incandescent lamps.

Thrissur City Police Assistant Commissioner V K Raju inaugurated the training session. Nenmanikkara grama panchayat member V R Suresh presided over. Over 100 people including kudumbasree members, students etc. attended the training session. The skill development unit of the college will continue to provide similar training sessions for rural people so that it benefits their daily life and can be taken as an income source.
