

“Start preparing early for an MBA degree”, students told

MASTER OF BUSINESS ADMINISTRATION (MBA)

An awareness talk about the Master of Business Administration (MBA) program and about the various opportunities through an MBA degree was held in the Auditorium for the 2020 pass out batch B Tech students on 19 February 2019. The main speaker on the occasion was Mr Diyu Jose from T.I.M.E., an institute in Thrissur that provides coaching for appearing in competitive examinations, who touched upon the various entrance examinations like CAT/MAT/CMAT and exposed the students to the typical subject areas that are tested as part of these competitive examinations. He provided an overview of how to prepare for such examinations and shared the likely examination schedule for the coming academic year. A list of top institutes and universities offering the program with their indicative selection cut-off scores was also discussed.
