

CSE student wins first prize in FOSSArt competition at MITS

Subin Siby (S4 BTech CSE B) secured the First Prize in the FOSSArt competition conducted by the FOSS Club of Muthoot Institute of Technology & Science, Ernakulam (MITS), as a part of the College's TechFest christened *Vyapti*, during 22 – 24 March 2019. The prize carried a cash component of Rs 3000. The competition was to create a poster on a topic using FOSS tools followed by a quiz on GNU/Linux and FOSS. Subin Siby also participated in a hackathon event as a member of an inter-college team of students from MACE, Kothamangalam and SJ CET, Palai. The hackathon, with a duration of 48 hours, was on the topic "Smart & Connected World".
