

IEDC organises 3-day Boot Camp

The IEDC of Vidya organised a three-day residential Boot Camp during 29 – 31 March 2019. The Camp was aimed at developing curiosity among students, to bring out their entrepreneurship skills and to give them an insight into various activities conducted by IEDC.

On 29 March 2019, the activities of the Camp were started with a brief inaugural session addressed by Dr Saji C B, Principal, followed by a talk by Ms Swapana E V M, IEDC Nodal Officer. Mr Joseph Antony, CEO of IEDC, gave an overview of the Camp and explained the objectives of the Camp. Mr Aswin Vasanth, IEDC Media Head, presented the vote of thanks. After the completion of the inaugural session, grouping, gaming and design thinking sessions were conducted. On the next day, an industrial visit to KEIL Industry was conducted. On the last day, an IoT workshop and a continuation of design thinking session were conducted. This was followed by prize

distribution and the activities came to an end at 5.00 pm.

The event was coordinated by the IEDC Main Team and Volunteers. They were both the organizers and resource persons for the event.
