

## F0SSers of Vidya attend KochiPython meetup

Two members of the F0SSers Club of Vidya, Athul Raj (S2 B Tech CSE A) and Subin Siby (S4 B Tech CSE B), attended the KochiPython Meetup for a talk on Vakku2Vec project, a project for Language Modeling and Text Classification in Malayalam Language (more details on the project can be read [HERE](#)). The

Meetup was conducted by a group of Python enthusiasts in Kerala. The venue was NASSCOM 10000 startups warehouse inside infopark, Kochi. The meet-up was focused on how to bring forth Malayalam language to the new ML and AI industry for various applications. The talk was headed by Adam Shamsudeen and Kamal Raj, two AI enthusiasts working at SAAMA Research, Chennai.
