

Great initiative: a website for College Hostels

Yet another great initiative of hostel residents of Vidya: A group of tech-savvy residents of the College Hostels has taken the leadership to launch a website for the College Hostels. This comes in the wake of another great initiative of the hostel residents: The launching of *Invicto*, an e-magazine for expressing the literary creativity of students staying in the hostels. The launching of *Invicto* was reported in *News & Events* last week. The full report can be read [HERE](#).

The people who guide and mentor the hostel residents
