

## Mech girl scores “perfect 10” in S1 results

Greeshma P S, now studying in the second semester of B Tech (ME) programme in Vidya, has made Vidya proud by securing a perfect 10 Semester Grade Point Average (SGPA) in the first semester B Tech examinations conducted by APJAKTU in December 2018. Congratulations to Greeshma on this great achievement!

The achievement means that the girl has secured the “0” (Outstanding) grade in all the papers in the first semester! That also means that the girl is a student of the Mechanical Engineering branch and also that she is a “girl”!!

### **Grade Points and SGPA**

For the benefit of those who may not be well-versed in the niceties of Grades, Grade Points and Grade Point Averages, the relevant details are summarised below. The University awards Grades and Grade Points for each subject as per the criteria given in the following table.

Grades		Grade Point	% of total marks obtained in the subject
O	Outstanding	10	90% and above
A+	Excellent	9	85% and above but less than 90%
A	Very Good	8.5	80% and above but less than 85%
B+	Good	8	70% and above but less than 80%
B	Above Average	7	60% and above but less than 70%
C	Average	6	50% and above but less than 60%
P	Pass	5	45% and above but less than 50%
F	Fail	0	Less than 45%
FE		0	Failed due to eligibility criteria
I	Incomplete		Course Incomplete

The Semester Grade Point Average (SGPA) is a weighted average of the Grade Points obtained in the various subjects studied in a semester, the weight for an individual subject being the "Credits" for the course as specified in the curriculum. If a student secures 90% or above marks in all the subjects, he/she will get a perfect 10 SGPA!

So Greeshma has secured 90% or above marks in all the subjects in the first semester B Tech examinations. That is the meaning of Greeshma's achievement!!
