

Congratulations...

Record 250+ placements to the 2019 pass out batch !

CELEBRATE VIDYA

Record placements for the 2019 pass out batch: Vidya is great! Vidya is different!! Celebrate Vidya!!!

Vidya's placement front continues to be very, very vibrant thanks to the concerted efforts of all the stakeholders under the overall coordination and leadership of the Training & Placement Dept of Vidya. The personnel in the Training & Placement Cell are very pleased this year and so are all in the Vidya family because of the record number of placement offers Vidya's students could gather this academic year. There are few more recruitment drives in the pipeline and the recruitment processes of several companies are in various

stages of completion. Counting only the offers made so far, Vidya's students have garnered more than 250 placement offers, an achievement of which all in Vidya are rightly proud of. The

placement offers are evenly spread out among the various programmes. Students of B Tech, M Tech and MCA programmes have obtained fair shares of the total bounty! The Trustees in VICT have contributed to achieve this success, faculty members have chipped in by helping to bring in a few recruiters. The Training & Placement Dept reminds all that this unparalleled success should not end up as a one time story; the momentum should be sustained in the coming years as well and this should take deep roots in the psyche and culture of Vidya.

While congratulating all the placed students from the 2019 pass out batch, *News & Events* Editorial Team urges all to spread the message: Vidya is great! Vidya is different!! Celebrate Vidya!!!
